From the Headteacher

Firstly, a warm welcome to all those reading Beaumont Life for the first time as new families or staff at Beaumont. We hope you have enjoyed your first month and that you are settling in well. If you have any queries please contact your child's form tutor in the first instance. The year has started very well with superb examination results (see website), the award of International School status again from the British Council, and many activities and events already up and running. As staff we have also been greatly encouraged by all the cards, letters and e-mails of thanks from students and families at the end of last year – we do appreciate it.

We welcome the following new staff: Miss Boggi and Miss Greenwood (Languages), Mr Trigg (Science), Miss Rosler (Maths), Mrs Gibson (Art), Miss Skelton (Science), Miss Tallentire (English), Mrs Sivakumar (Science Technician), Mrs Clamp (Art Technician), Mrs Chappell and Mrs Dazeley (TAs) and Mr Leigh (IT Technician).

Our big drive this academic year across the school is in developing Skills for Success (S4S) for all students at Beaumont from Year 7 to 13. We launched S4S at assemblies recently and all students took part in developing S4S in some way at the first CED of the year. S4S is the development of the essential repertoire of five skills for success which has developed from staff and student feedback over the course of last year, the key aim being to develop independent learning skills. Do look out for further information throughout the year.

Finally, please do respond to the request (on page 9) for information on past students; it would be great to hear more about ex-Beaumont students and where they are now.

My best wishes to you all at the start of this new year.

Elizabeth Hitch

The RE Department

The popularity of Philosophy and Ethics GCSE has rocketed in the last couple of years with over 40 pupils opting to take it in the current Year 10. We thought you might like to see the sorts of things we cover at GCSE and hear from some people who took their exam in the Summer.

Mrs Sidney

Results

This summer's Philosophy and Ethics GCSE results were the best yet. Here are the headlines:

- 60% of the class achieved an A* or A
- 85% of the class achieved A*-C
- 100% of the class achieved A*-G
- · All students achieved well according to their target grade
- Nine students achieved full marks in one or more unit.

A lot of time is spent at GCSE developing the pupils' evaluative skills. We have many debates and they are encouraged to look at both sides of an argument. One topic that often generates a lot of discussion is the existence of God. Here are some of the different arguments that students have come up with or studied as part of the course:

The Cosmological Argument says that every cause has an effect. Thomas Aquinas said that there must have been a first cause, and that this cause was God. However others say that the universe was created by a massive explosion – the Big Bang theory.

The Teleological Argument argues that the world is so complicated that it can't have come about by chance – God designed it. But on the other hand many philosophers have used the imperfections in the world as evidence against this. These imperfections cause earthquakes and other natural disasters which kill thousands – why would God create a world so imperfect? One Greek philosopher, Epicurus, argued that there were not only imperfections in the world, but evil too. If God is unable to stop evil, then he cannot be omnipotent, and if he is simply choosing not to, then he is not omnibenevolent.

A third argument is the **Moral Argument**. Some say that there is a clear objective moral law. There must be a source for this law, and this argument says that the source is God. However, many say that you learn your morals as your grow up through your parents.

The argument from **experience** says that God's existence is proved through miracles, prayers being answered, feeling God's presence and hearing God speak to you. Many people argue that there is no such thing as a miracle – just because things happen against all odds, does not make it a miracle. Some say prayers only appear to be answered because of mere coincidence.

Past students

Here is what some of last year's Year 11 said about Philosophy and Ethics GCSE:

Philosophy and Ethics is such an interesting and thought-provoking subject. The topic Belief about Deity was extremely interesting and I thoroughly enjoyed learning the different arguments for and against the existence of God. GCSE has really sparked my passion for studying Philosophy in the future.

Anshula Bain

I liked Philosophy and Ethics because there was lots of discussion and everyone had their own opinions.

Adam Hale

Philosophy and Ethics was one of my favourite GCSEs. Every topic was different. I particularly enjoyed debating the ethics of modern issues such as abortion, animal testing and euthanasia. It has helped me develop skills which can be applied to many other subjects. It has given me an interest which I would like to pursue in the future.

Philosophy and Ethics was one of my favourite GCSEs. It's so different to the rest of them. Lessons are fun and interesting and make you think a lot.

Henry Clendon

Grace Randall

Philosophy and Ethics was definitely my favourite GCSE and I was really happy with my result. Our class discussions were so engaging and when it came to revising I actually looked forward to it as I always found out something new and it provided me with different insights from differing perspectives.

Year 13 German Parliamentary Experience Trip

Ben Williams and I are Year 13 German students from Beaumont School and Sandringham School respectively. Both of us were given an amazing opportunity to travel to Berlin and shadow a Member of Parliament at the Reichstag. We departed on the 3rd of September and on that same day we visited Berlin Zoo and we were lucky enough to have the sun with us!

On Sunday, we explored the wonderful city of Berlin. My highlights of the day were visiting the Checkpoint Charlie museum and the DDR museum.

I found these visits very moving and I now have a much deeper understanding of what life was like when the Berlin wall was standing.

Bright and early on Monday morning, Klaus Hagemann MdB showed us around the Reichstag. It is a magnificent building; I could not believe I was in such a prestigious place!

From Tuesday to Friday we sat in meetings and watched discussions. Every day we were also fortunate to watch debates and talks in the Plenum, where the parliament sits. We even saw Angela Merkel, the Chancellor of Germany make a speech! Klaus also spoke in front of the parliament. Watching him and other members of parliament was very inspirational and politics interests me a lot more now.

It was fascinating learning about current economic topics and parliamentary systems. I feel that my German has improved greatly, especially my listening and understanding. Towards the end of the week, I was able to absorb so much more vocabulary and grammar. I loved every second of my experience and it was an honour being part of it. I would like to thank Mrs Yapp for organising this wonderful opportunity and for allowing me to be involved.

Phoebe Greenland – Sandringham School

In September I was fortunate to take part in certainly the best school trip that I have been on so far. Back in March Mrs Yapp invited me to go on a 'Berlin Parliamentary Experience' visit and I have to admit I was daunted by the challenge of spending a week in a new city and getting to grips with using my German practically, let alone completing an internship with a Berlin MP. However, although it turned out to be a thousand times more difficult than I had anticipated, it very soon became worth it.

On the first two days Mrs Yapp gave us a tour of Berlin and I learnt about German culture through monuments, churches, museums, the odd boat tour and a lot of Mrs Yapp's handy facts and experiences. It was certainly useful to have these couple of days to settle into the brand new 'all-German' environment before starting 'work' on Monday.

The parliament was fascinating. I became immersed in German politics from the moment that I stepped into the building and I can safely say that I now know more about it than I do about English politics! Throughout the week I was given the opportunity to see incredible speakers, including Angela Merkel. I watched meetings of the Budget and Petitions Commissions and debated topics such as Britain's response to the riots and the Euro Zone in German with Klaus Hagemann MdB. I learned an awful lot about German history, which will help my course this year, and I enjoyed all of it!

It is often hard to imagine that politicians or even public figures can have lives, or even personalities outside politics; however I came to learn the complete opposite! Klaus Hagemann was exceptionally patient, understanding and outstandingly hard-working. I cannot thank him or Mrs Yapp enough for the opportunity. The trip completely changed my views about politics, politicians, German and the way in which a country is run, and without this experience I would still be 'clueless' about many of the above. It was a truly amazing experience!

Year 10 Rosas trip - July 2011

We were excited about the trip but couldn't understand why the Year 11s rated it so highly until we were actually there. Our expectations were exceeded by the gorgeous weather and interesting activities which included a visit to the world famous Dali Museum, a boat trip up the coast to Cadaques and a day long trip to Barcelona where we visited the Nou Stadium (and did just a little shopping!). We also went to Spanish classes, which has really helped with our studies. We enjoyed lots of freedom thanks to our brilliant trip leaders, and spent many hours relaxing on the lovely beach and by the pool.

The trip brought us together with people with whom we wouldn't normally have a chance to spend time, and the great company kept us highly amused all week. We didn't want to come home and will always have good memories of the trip. We would recommend the trip as it was an amazing experience.

Spanish students visit Beaumont

On the last week of term, a group of Spanish students visited Beaumont School giving our current Year 11 students the unique opportunity to practise some of the Spanish they had been learning during the year. The highlight of the visit was the football match our students played against the Spaniards. If you want to find out the final result, please continue reading. We hope to repeat this enjoyable experience next year.

Miss Garcia

On Monday 17th July they came to our Spanish lessons and we discussed their hobbies, their likes and dislikes and what they were studying in school at the moment. They were mixed ages from 14-17 years old. We learned that they liked to play football and mostly supported Valencia.

They also asked us questions on our hobbies. Their English was a lot better than we had expected.

managed to go one up before half time.

On Tuesday 18 July the Spanish students came back over to play us at football. When we went to the field they were there waiting for us in full football kit compared to our PE tops and shorts. We sent out our starting lineup, the whistle blew and the game began. They started passing the ball between their midfield but they couldn't keep the ball from us long and we soon gained possession. They passed it forward and had an early break on goal but our goalie saved it with a heroic dive. After a near miss on goal we

The whistle blew for half time. We prepared for the second half by bringing on a few new players. Almost straight away however the opposition scored. We went back out and played our best football but then the ball hit the back of the net and they had managed another goal. We started again with a more attack-based pace, and got the ball to our midfielder who shot a wonderful strike from outside the box to score a fabulous goal. The question in

everybody's head was whether we could hold them back until the end of the game. Unfortunately we couldn't and with a minute to play we conceded the last goal of the game which came from their left midfielder. The game was closely matched; the Spanish team made good opponents for us and rather disappointingly we couldn't break their defence enough to beat them.

U15 Daily Mail Cup 1st Round v Tring W24-5 Tries: Matt Early 2, Tom Giles, Joe Harrison

Beaumont opted to play the first half up hill and saw Tring camped in their half for a long period of time; this led to some strong defensive work from Adam Jones and the forward pack. Tring made several attempts to get over the line but good work from Dan Kempsford and Joe Harrison ensured Beaumont went into the break with a clean sheet.

The second half saw Beaumont take the lead with Matt Early powering over the line; this was duly converted by

Will Curtis. Jacob Lockhart Lister and Chris Stone put in good performances and Luke Ellis demonstrated his tackling abilities. Tring maintained the pressure but were unable to score due to some excellent defensive work from Ben Hackwood. Beaumont dominated the remainder of the game with Tom Giles adding to the score and Matt Early making a superb run down the wing to take the score to 19-0. Tring didn't let their heads drop and towards the end of the game scored their only try, hitting the bar on the conversion attempt.

In reply Beaumont remained confident and Joe Harrison made a powerful run for the try line, with Will Curtis converting for the last play of the game.

the two lap run, with Will Raymond and Mhairi Pennifer in second. This was also the first inter form competition, with points going towards the House Competition.

Year 7 Sandringham Fun Run

The top 20 boy and girl finishers from the Year 7 Inter Form Fun Run were selected for the Sandringham Fun Run on Tuesday 13th September. Every Secondary school in the District took part with over 400 pupils running in the boy and girl races combined.

The girls' race was run first and Beaumont's first runner home was Mhairi Pennifer in 16th place, closely followed by Greta Geller in 24th. Kate Chamberlain (33rd) Tamsin Sandford Smith (47th) Fiona McFarlane (52nd) and Sofia Metcalf-Riener (58th) were our other scoring runners which placed the girls' team 7th with 230 points. In the boys' race William Sharpe was our first finisher in 8th place and Will Raymond was second home for Beaumont in 14th. Ben Rose (21st), James Wilkinson (26th), Liam Murphy (37th) and Harvey Trounson (43rd) followed. The boys' team finished with 142 points and were placed 4th behind Verulam, St Columba's and Sandringham. In the combined competition we were placed an excellent second, only 20 points behind the first placed team, Sandringham.

Well done to all of the Year 7 pupils who ran and had their first taste of competing for Beaumont. A full list of results is on the the Cross Country page of the Beaumont PE Department Blog.

District League Cross Country

Our first District League Run of the season saw a number of Beaumont runners produce some strong results. In the Junior age groups Olivia Almond finished 14th in the junior girls with Tom Hails 5th, Jacob Bockenhauer 9th, Jacob Grisenthwaite 23rd and Conor Moore 24th in the junior boys.

In the Inter age groups, Marius Bell finished 20th and Giulio Pipe 21st in the boys' race with Naomi Baker 7th, Olivia Albertson 13th, Laurel Parker Mead 15th and Laura Albertson 16th in the girls' race.

Well done to all of the runners but particularly the Inter Boys and Girls who were all running a year out of age.

Drama News Tangled Feet Company in Residence

At the end of last term we were proud to welcome back Tangled Feet Theatre Company who were last with us in November 2009. The company spent three days with us and worked with all Year 10 and 12 drama students as well as Year 9 students who had just started their GCSE and BTEC courses. Activities ranged from games and ways of devising theatre to a 'happening' after school on the final day. We were thrilled to have the opportunity to develop our partnership with such an exciting theatre company and look forward to welcoming them back soon.

Quotes from Year 12 students who worked with Tangled Feet:

'Exploding naturalism' is a great way to create movement with meaning. I will definitely use this technique when devising. Joe Madley

'Loved it! the exercise using everyday movements to create a story I'm sure will really help when we have a theme for our devised piece.' Gaby Medforth

'WICKED! I cannot explain how much fun I had - such an inspirational group of people! Went to see The Hide (a Tangled Feet performance) = TOTALLY AWESOME!' Adele Robinson

'I've really enjoyed learning new techniques and how Tangled Feet create their pieces which will help when we come to devise ours.'

Textiles – donations please!

The Textiles department would be very grateful for donations of fabric, ribbons, zips, Velcro etc. Please bring them in to Mrs Holmes. Thank you.

Year 13 Visit to The Rose and Globe Theatres

On a fine day at the start of the new term, an intrepid band of A2 Drama students left school at 11.30am for a 12 hour dramatic experience. Our first port of call was Bankside where Mrs Rowlands had organised a questionnaire on subjects such as "Who lived in Southwark Cathedral?" (answer The Bishop of Winchester) and "Which famous soldier was associated with The Cutty Sark?" (answer: Sir Francis Drake).

Later in the afternoon we went on a guided tour of the archaeological site of the ancient Rose Theatre, which was run in Elizabethan times by Philip Henslowe. He is the man having his feet burned at the start of the film, "Shakespeare in Love". We heard how theatres like The Rose, whilst staging some of the world's greatest plays, were often used for the barbaric entertainment of bear baiting.

After a jolly pizza dinner (with cut price vouchers) settled into an we live of evening Shakespeare at The Globe. We saw (or heard as they said in Elizabethan times) Ado "Much About Nothing". Although the language was difficult, the lively production, responsive audience and vibrant atmosphere made it а trulv memorable occasion.

As usual Miss Shepherd has organised lots of theatre visits this year and we cannot wait till the next one! Thanks also to Mrs Webb who accompanied us to The Globe.

Parents' On-Line Payment System

we would like to remind you that there is a system available for paying over the internet for school catering and many school trips and activities. In addition to processing payments to the school the system also provides a really convenient way of checking the balance and recent activity on your child's catering account.

This system is accessed via the Beaumont website under the 'Parents' heading on the home page. You should have received a letter detailing how to access the system with a unique code for your child. If you would like to receive a copy of this letter or have any other queries regarding using this system please send an email to

Beyond Beaumont

Chloe Arnold 8R

On 22nd July Chloe took part in the British Gas National Age Group Swimming Championships in Sheffield, competing in the 12 year old girls 100m Butterfly. Chloe did amazingly battling through the heats and make it to the final. She swam the final in a personal best time of 1.08.23 and finished seventh overall in what was an extremely close and exciting race. This puts in her seventh in the country in the National Ranking for her age group. This is a massive achievement for Chloe and as a result she has now been selected for the 2011/2012 English Talent Development Programme. This means she will attend one day specialist weekend training days to help her progress further in her swimming alongside other top national swimmers.

Chloe works extremely hard in her training before and after school this result is a fantastic reflection of this.

David King

David left Beaumont in June 2008 to study at the University of Kent.

He has been awarded a BSc (first class honours) in Medical Anthropology. He will spend the coming year working for a medical foundation in Oxford and then plans to embark on the long training to become a doctor specialising in Psychiatry.

Anne-Louise Pilbeam

Former student Anne-Louise has been awarded a First Class Honours degree in Photography and Video from De Montfort University, Leicester.

Caitlin Devereux

Newnham College Cambridge has let us know that Caitlin has achieved a First in her recent Part IB of the Philosphy Tripos. She has also been awarded an Anne Jemima Clough Prize in recognition of her result, and a Winkworth Third Year Scholarship.

Oscar Simmons 8L

Congratulations to Oscar Simmons who has won the 'Best Drama' award at the Peckham Film Festival. Oscar was competing against people aged up to 25.

Oscar made his film, which was seven minutes long and called 'Dog', about a lonely elderly lady who finds love and companionship through her relationship with a robot dog. Very well done Oscar!!

Thomas Durnall

Former student Thomas Durnall has just graduated with a 2.2 degree in Physics with Astrophysics from Exeter University

Craig Watt

Craig Watt graduated from Aston University this year with a BSc First Class Honours degree in Marketing. Many congratulations!

Jerome Mayaud

Congratulations to Jerome who read Geography at Worcester College at Oxford. He has come first in his year, receiving the 'Gibbs prize'.

His love of geography stemmed from his time at Beaumont 'where several inspirational teachers instilled in him their own passion for the world and how it works.'

Oliver Garner

Oliver Garner left Beaumont in July 2011 and is at Middlesex University studying Photography. He has a chance of winning a prestigious HSBC Bursary to help him with his studies and to enable him to make a mark on the world using his photography skills. Please help him win by voting for the video he has produced – if you have a Facebook account you can find it by searching for HSBC Student Bursary and then finding Oliver's entry (by 30 September please!). Good luck Oliver!

Congratulations to **Adam Jones** of 10S who was selected for HiPAC training over the summer holidays. This is East of England Regional hockey training Level 2 which means Adam could gain selection for an East of England Team. Also well done to **Jacob Lockhart Lister**(10S) and **Luka Fadrique** (10N) who have also been involved with Junior Regional Performance Centre Tier 1 training. Good luck to all boys in the new Hockey season.

Calling former Beaumont students

Are you in touch with former students now in their 20s? We would like to put together an alumni board of past students and what they are doing now – it is great to show current students what previous Beaumont students have gone on to do (whether they went to University or not) and we might also be able to ask some in to help out with careers days and talks at some point in the future. If you are in touch with someone who would be interested please could you ask them to let us know:

- 1. What A-levels they did at school
- 2. What and where they studied at university (if they went!)
- **3.** What they are doing now

Please email admin@beaumont.herts.sch.uk. A current photo would be great as well.

Year 5 History Mystery Day

In the penultimate week of term the History department once again hosted a History Mystery day for a local Year 5 class. This year it was Rowan Class from Oakwood School. The students arrived with great anticipation and they were not disappointed. The day began with an inference activity with Miss Wensley and the groups examined objects from the costume cupboard such as chain mail, a soldier's tunic and a Sony Walkman (yes, parents, this is history now). They then were divided into two groups and looked at evidence about a mystery event. They were treated to a pre-recorded video guest starring Miss Pearson, Miss Wensley, Mr Cross and students Sam Stothard, Anshula

Mauree-Bain and Anna Fordham who had all dressed up as part of the evidence. As well as watching the videos they were expected to interview two of the people involved, played again by Anshula and Anna (coming in from their summer holidays to help) who played their parts convincingly to the students. They worked well in their groups to use the evidence and were ably assisted by Helen Tung-Yep, Alex Brett, Holly Andrews and Soairse Hill from Year 12 too.

At the end of the session the students summed up their ideas about the solution to the mystery and the department was really impressed with their enthusiasm and interest that they showed across the lessons that day. It seems that this was something that they enjoyed too as a couple of days later we received this thank you note from the class:

"Thank you very much for inviting us for a History morning. We all enjoyed the lesson we has and they film you made was very exciting. Your students were very skilled and experienced. You have taught us so much in one morning about History and Beaumont must be so lucky to have teachers like you. We all look forward to having another lesson there and we were very impressed with your knowledge."

Many thanks to the History department for all their extra efforts on this day that makes everything run like clockwork, to Anna and Anshula for giving up their summer holidays to come and help and to Sam and Mr Cross for starring in the video and wearing some of our (musty) costumes and Helen, Holly, Soairse and Alex for helping out as class assistants.

Morrisons 'Let's Grow' vouchers

If you shop in Morrisons please collect your Let's Grow vouchers and bring them into school so that we can claim free equipment.

Parking near school

Please take care not to block driveways, or otherwise park illegally when dropping or collecting your children from school. Parking on yellow road markings, across driveways or on corners is illegal and endangers and inconveniences local residents and other road/pavement users — including school children.

News from the Governors

The Community Committee met in June. We were given an update on the Parent Forum Meetings. Governors are interested in the outcomes of these meetings and it was agreed that where possible governors will attend meetings and report back to the committee on any issues arising. We discussed whether having the meetings during the day might mean that some parents who would like to attend are unable to do so and the balance between the meeting time being convenient for parents whilst ensuring that the group does not get too big and unworkable. It was noted that the group does not make decisions and operates as a focus group. Issues raised are consulted on more widely.

We had a lengthy and detailed discussion about various areas of the Pupil Survey. Governors would like to look further at careers advice at the school and it was agreed that this will be put on the agenda for the next meeting when the breakdown of the responses from each year group will be analysed as compared to the responses from the previous survey.

We were pleased to receive feedback about the Student Voice Day where the students looked at the areas of Environment, Charities, Teaching and Learning and Community. A collage was prepared which will be displayed in school.

News from the BSA

The first BSA event of the new academic year was the Year 7 Family BBQ and Games Afternoon held on Saturday 17 September.

In spite of a short, but heavy, downpour half an hour before the start, the spirit of the event was not dampened and hundreds of students, siblings and parents attended. There was a very happy atmosphere to the whole event and we were even rewarded with a good deal of seemingly unseasonal sunshine for most of it!

A Treasure Hunt, Netball Shooting Competition, Football and Rugby occupied the students and their siblings, allowing parents to socialise. The Bar and BBQ were very busy! From the comments received on the day, it would appear that the afternoon was a successful and enjoyable occasion. At the "Prize Giving", the Chairman, Neil Almond, welcomed everyone to the event and encouraged parents and carers to become involved with the BSA in some way if possible.

Prizes were awarded to:

Hannah Crisp 7S, for scoring the most goals in one minute; Ewan, younger brother of Robert Mills 7S, for winning the Treasure Hunt; whilst the Lucky Ticket prize was won by Archie Dench also of 7S. It would seem that 7S had a winning streak! A special prize was awarded by the Year 8 helpers to James Carruthers, young brother of Gemma 7A, for his relentless enthusiasm for netball shooting throughout the afternoon. Very well done to the winners and to all those who took part in the competitions.

The BSA would like to thank all the very kind parents who helped both before and during the event and also with the clearing up afterwards. It was greatly appreciated. We would also particularly like to acknowledge the eleven enthusiastic students in Years 8,9,11 and 12 who gave up their afternoon to run stalls. Without their help this event would have been very difficult to run. Thank you! Thanks also to Mrs Darnell and Mrs Hamer whose help behind the scenes prior to the event was invaluable.

Whilst this event is primarily a "welcome and social event" for new Beaumont students and their families, we raised around £350!! Thank you to everyone for their support.

The BSA page on the school website may now be accessed via the "Quick Links" on the Home Page of the school website www.beaumontschool.com. Email us on bsa@beaumont.herts.sch.uk

'SONGS FROM THE WEST END'

Our next event is a 'Songs from the West End' Evening on Sunday 9th October at 7pm, finishing by 9.30pm. The evening will feature Beaumont's Miss Shepherd, former cast member of Les Miserables; Kyl Messios from The Lion King and Lee Bright from Grease. Don't miss this wonderful evening! Please note: this evening is most suited for Year 7 and above.

This event is raising money for new and improved stage lighting for Drama and Music Productions and also for the Gym and Dance Display. Tickets are priced at £10 for adults and £6 concessions with a family ticket at £25 (maximum of two adults) to include a light buffet. There will be a Pre-Show and Interval Bar and food will be served at the Interval.

Tickets are available from school: please bring or return the tear off slip below to Reception with the correct payment (marked "BSA Tickets"). Tickets can be purchased in person or if applications are handed in to the form tutor, tickets will be returned to students via tutor trays for them to bring home.

Please do come along and support this event which received excellent reviews last time!

Calling all crafty people!

Beaumont School Christmas Fair, Saturday 4th December

Can you help with the craft stall at this year's Christmas Fair?

We are looking for anyone with any craft skills to help us make items for the craft stall.

Can you or someone in your family knit/sew/paint/make jewellery/work with wood??

Do you have access to any craft materials you could donate?

I would love to hear from you!

Please contact Nicky Reardon at bsa@beaumont.herts.school.uk

A reminder that the BSA will be taking orders for their delicious Beaumont School Christmas Puddings shortly.
